Dear Community Leader:

Enclosed is a publicity flyer inviting people of the Haitian community to attend a free information program of the Nassau County Bar Association regarding Temporary Protected Status (TPS). It will be conducted in French and Creole by our attorneys, and will answer questions people may have about applying for TPS.

The program will be held on Thursday, February 18, 6:00 to 8:00 p.m., at the offices of the Nassau County Bar Association, 15th and West Streets in Mineola.

Please let us know approximately how many members of your organization we should expect to attend this program. Contact Caryle Katz at (516) 747-4070 by the second week of February.

We appreciate your efforts in publicizing this free program to assist members of the Haitian community. The program is an initiative of the BOLD Task Force (Bridge over Language Divides) of the Nassau County Bar Association.

Sincerely yours,

Linda Nanos, Esq.
