FOR IMMEDIATE RELEASE

April 10, 2011

**THE HEMPSTEAD CHAMBER
PRESENTS A PROGRAM BY NATIONAL GRID TO HELP SMALL BUSINESSES LOWER
THEIR COSTS**

The Hempstead Chamber of Commerce extends an invitation to Hempstead Village businesses and residents to attend its meeting on Wednesday, April 20, 2011. At 6:30 P.M. in the Community Room of the Hempstead Public Library on Nichols Court, Long Island's utility company, National Grid, will present a program to help businesses save money on energy and lower their operating costs.

The program will highlight moving businesses forward with natural gas heat. Specific issues to be discussed include taking carbon out of the air; utilizing the new gas equipment which is 30% more efficient; saving of up to 75% by using energy efficient heating equipment and qualifying for financing options.

There will be an opportunity and plenty of time for questions, and speaker Sean Robinson is well equipped to provide answers.

Don't miss this opportunity to learn about new opportunities to help your business grow. Light refreshments will be served. We are looking forward to seeing you.
