FOR IMMEDIATE RELEASE

February 21, 2011

THE HEMPSTEAD CHAMBER TO HOST DEVELOPER FOR REVITALIZATION OF HEMPSTEAD'S DOWNTOWN

Mark the date, Wednesday, March 16, 2011. At 6:30 P.M. in the Community Room of the Hempstead Public Library on Nichols Court, the Chamber will sponsor representatives from Renaissance Downtowns Urban America (RDUA) which has recently been designated by the Village as Preferred Developer for the revitalization of Hempstead's Downtown.

RDUA is a joint venture between Renaissance Downtowns, a Long Island based firm focused on revitalization of existing downtowns, and Urban America, a national organization dedicated to investing and developing within America's urban fabric.

Planning and implementation efforts are still in a preliminary stage, and will build upon the 2009 Comprehensive Plan for the Village. The meeting will provide an opportunity to ask questions and to dialogue with the development team and to make comments, adding the perspective of local business owners who represent an important component of Hempstead Village.

Don't miss this opportunity to learn about the future of Hempstead's Downtown as the RDUA team will discuss how they plan to implement a mixed use redevelopment that will provide significant benefits to the Village of Hempstead. RDUA plans to create a vibrant downtown atmosphere that will provide additional customers for local businesses along with tools to help businesses grow through the redevelopment efforts.

There is no cost. No need to call, just attend. Light refreshments will be served.
