Per Public Service Law §§ 32, 89-b, 89-1, 91 & 216: Residential and Small Business Consumers (with 25 or fewer employees) who are experiencing "a change in financial circumstances due to the COVID-19 state of emergency" are entitled to request a Deferred Payment Agreement (DPA) of their water bill(s) without any down payment or incurring any late fees or penalties. Accordingly, at this time, the District is offering consumers the opportunity to defer water bills (2nd cycle, August, October 2021) or through December 31st, 2021. Payments will not be due for 180 days thereafter. By my signature below. I attest that due to the COVID-19 state of emergency which began on March 7, 2020, I have experienced a change in financial circumstances. Thus, I am formally requesting a payment deferral for the following (check all that apply):

- 2nd Half 2021 (August, October)

I also acknowledge that I, as owner of the property, will be responsible to pay in full all water bills received during the moratorium period. If, at the conclusion of the deferment period, my accumulated water bills remain unpaid, the outstanding balances will be added to my next scheduled water bill and, where applicable, will be submitted to the Village Board per Section 215, Subdivision '12 of the Town Law of the State of New York and added to my next scheduled tax bill. The outstanding balance on accounts for all four quarters listed above are due and payable by May 31st, 2022.
