I am the owner of the property at the above address. Including my primary residence, I own, whether directly or indirectly, ten or fewer residential dwelling units. I am experiencing financial hardship, and I am unable to pay my full tax bill because of one or more of the following:

1. Significant loss of household income during the COVID-19 pandemic.
2. Increase in necessary out-of-pocket expenses related to performing essential work or related to health impacts during the COVID-19 pandemic.
3. Childcare responsibilities or responsibilities to care for an elderly, disabled, or sick family member during the COVID-19 pandemic have negatively affected my ability or the ability of someone in my household to obtain meaningful employment or earn income or increased my necessary out-of-pocket expenses.
4. Moving expenses and difficulty I have securing alternative housing make it a hardship for me to relocate to another residence during the COVID-19 pandemic.
5. Other circumstances related to the COVID-19 pandemic have negatively affected my ability to obtain meaningful employment or earn income or have significantly reduced my household income or significantly increased my expenses.
6. One or more of my tenants has defaulted on a significant amount of their rent payments since March 1, 2020. To the extent that I have lost household income or had increased expenses, any public assistance, including unemployment insurance, pandemic unemployment assistance, disability insurance, or paid family leave, that I have received since the start of the COVID-19 pandemic does not fully make up for my loss of household income or increased expenses.

I understand that lawful fees, penalties or interest for not having paid my taxes in full may still be charged or collected and may result in a foreclosure action against me on or after January 15, 2022, if I do not fully repay any missed or partial payments and fees.
